Willie's T's Expansion Complete

Jul 3, 2014

What began 24 years ago with a hand press and from a creative loan, has become a Brownwood success story.

On May 2, Willie's T's moved into a new addition that has ballooned its footprint to 15,000 square feet. And that first press now sits in the company's new showroom as a display piece and reminder how it all began.

"(It was) the very first machine I ever bought," said Will Carrier, the company's owner and founder. "We borrowed \$1,500 and used a 1981 Honda Accord to get the loan."
